

# imperia® RaviolChef Restaurant

RaviolChef è una gamma di stampi per ravioli realizzata in fusione d'alluminio per alimenti. La robustezza e la solidità che li contraddistinguono li rende particolarmente adatti ad un uso continuativo e prolungato tipici dell'impiego professionale. La larghezza degli stampi inoltre ottimizza al meglio la sfoglia da 220 mm della linea **imperia® Restaurant**.

*RaviolChef is a range of ravioli moulds made of food-grade cast aluminium. The sturdiness and solidity that distinguishes them also makes them particularly suitable for continuous and long use typical of professional using. The width of the moulds also optimizes the 220 mm sheet of the **imperia® Restaurant** line.*
